

VOLUNTEERS NEEDED FOR A BELLEROSE VILLAGE TREE SURVEY

One of the most visible features of our beautiful Village are the majestic trees that line our streets.

The Village Tree Board is organizing an effort to inventory the Village's trees in order to create a five-year plan for maintenance and planting. We're looking for individuals who can help with this effort over the summer months, working individually or with family members on selected Village streets (to ensure social distance!). Teenagers in need of service hours are welcome! No experience needed – we'll provide guidance on the process including how best to identify trees. Learn more about the nature around us while making a contribution to our Village and quality of life!

**HELP US KEEP
BELLEROSE VILLAGE
BEAUTIFUL AND
GREEN!**

**SUPPORT YOUR
COMMUNITY!**

**GET YOUR STEPS IN
ON OUR SHADED
